

Baseball & Softball

registration for the Valley Center District, playing in the
Wichita Heights Jr. Baseball & Softball League

January 21st through March 2nd

Early registration for **baseball** and **softball** in **Valley Center**, will be **January 21st through March 2nd**. Regular registration {registrations on or after 3/4/19} will be subject to space availability (**even if you were on an existing team/roster**). Registrations after 3/15/19 WILL NOT be accepted for any reason (even if you were on an existing team/roster) until such time as all registrations made by 3/15/19 are placed on teams.

Participants requesting to "play up": The Wichita Heights Jr. Baseball & Softball League and the Valley Center Recreation Commission **strongly discourages** the practice of "playing up." The WHJBSL has a very strict policy concerning birthdate requirements that a participant must meet to even be eligible to play up. The VCRC has established a policy that only a coach may request a player to play up (for those kids meeting the WHJBSL minimum age requirements) and that this is the only exceptions that we can make for requests to play up. So to be eligible to *play up* you must meet the WHJBSL minimum age requirements and your name must be on a roster or we will not honor or accept any requests to *play up*, regardless of the circumstances. Additionally, coaches/teams **WILL NOT** be forced or required to accept a player requesting to play up.

Out-of-District (outside of U.S.D. #262) registration for those persons "not on a roster" **WILL NOT** be accepted before March 25th, with one exception. **If the out-of-district player is on an existing roster and the team composition is at least 60% U.S.D. #262 players, the out-of-district participant MUST register during the early registration period (1/21 - 3/8)**

All out-of-district registrations are subject to a \$15.00 per person out-of-district fee, in addition to the regular registration fee.

Age Determination

as of:

(how old the child is or was **ON** the appropriate date)

Baseball: 5/1/19

Softball: 1/1/19

NOTE: These dates are set by the National Baseball Congress (baseball) and the Amateur Softball Association (softball), not the Wichita Heights Jr. Baseball & Softball League or the Valley Center Recreation Commission.
