

2019 Valley Center Fall Tennis Clinics

By: ICTennis Club

(Age: MS/HS)

(Location: Valley Center Middle school)

This program is constructed for middle school and high school players as well younger players that are determined to improve their tennis game. Great player-to-pro ratio will allow us to focus on refining swing paths, develop patience and shot tolerance, ball control and basic tennis strategy. We will also focus on intense stroke, conditioning drills and supervised match play. This is a great preparation for players that want to make their high school and middle school teams and compete at UTR and USTA event. Program will run Wednesday and Friday for 8 weeks of the fall from 6:00-7:30pm.

Please mark all the weeks you will be attending.
